TECHNICAL SKILLS

Programming & Scripting

C Python HTML5

Libraries and Frameworks

Pandas Numpy Matplot

Hardware & Embedded

Arduino Circuits

Design Toolchain

Figma Photoshop Canva

CORE COMPETENCIES

- > Strategic Leadership
- > Creative Problem-Solving
- > Cross-Functional Teamwork
- > Rapid Skill Acquisition
- > Project & Time Management
- > Resilience Under Pressure

LANGUAGES

- > Nepali — Native
- > English — Professional
- > Newari — Conversational

Bibek Maharjan

ELECTRONICS ENGINEERING | B.E. FIRST YEAR

Professional Profile

I am **Bibek Maharjan**, an Electronics Engineering undergraduate with an insatiable drive to build things that genuinely matter. I dissect fundamentals, experiment relentlessly, and iterate until every solution is elegant.

Education

Advance College of Engineering

2025 – Present

Bachelor of Engineering — Electronics & Communication

Enrolled

• Kalanki, Kathmandu

Uniglobe Secondary School / College

Passed 2025

+2 Science with Computer Science Major (NEB Board)

• Kamaldi, Kathmandu

Cumulative GPA **3.81/4.0** • Graduated in the top percentile of cohort.

Activities & Experience

VOLUNTEERING & COMMUNITY SCIENCE

◦ 9th Youth Scientist Summit

2025

Nepal Polymer Institute & UGSS

◦ UGSS Science Expo 2024

2024

UGSS & URC

◦ Technorian Event

2025

Advance College of Engineering

COMPETITIVE HACKATHONS

◦ Uniglobe Hackathon 1.0

2025

Uniglobe IT Club

◦ The Cosmos Hackathon

2024

ICT Club, Cosmos College

Selected Projects

► Ecogreen

EcoGreen, a full-stack platform where users complete eco-friendly tasks, submit proof, and earn rewards through a point-based system.

► Sensor Car

Made a sensor car which automatically avoids obstacles.
